DELIVERY OF RECYCLING BAGS

We have been made aware that delivery of Council recycling bags this year will be later than scheduled. These are usually sent out from April each year.

Because there has been a delay at the supply end, these bags are not likely to be available before late May or early June 2021.

For further information see <https://wellington.govt.nz/rubbish-recycling-and-waste/bins-bags-crates-and-skips/recycling-bags>

FEEDBACK RECEIVED

In the March newsletter last week we ran an article supplied by Alison Bayly which was entitled "School Photos". It referred to the days of the old school photographs (back in the 1950s and 60s).

In response to that, we received the following from a reader: "I loved Alison's articles especially about the school photos. I went to school in Invercargill in the 1960s too - same photographer!! same instructions (I was one of the tallest so always put in the middle of the first standing row which emphasised my height!), same looking photos. Also I put the names of everyone on the back of the photos! Very interesting."

It's good to get feedback!
